A reminder of who we are!

A group of local people got together in late 2019, following the Dunedin Art Show, to discuss the possibility of establishing a group that would advance, encourage and promote the provision of adult and community education in Dunedin.

At the inaugural meeting in November 2020 the following office bearers were elected:

President: Mary Geary

Secretary: Nancy McLennan Hughes

Treasurer: Lesley du Mez

Committee members: Sue Cheer, Ron Esplin, Nick Orbell

We now have over forty members and would welcome more (see below)

What's planned going forward . . .

One of our committee members is exploring further options for classes in Term 3 and 4. Composting, gardening and recycling fabrics are some of the classes we hope to offer.
