Mere Kirihimete

Dunedin WEA members

What a whirl wind year we have had – both in our personal lives as the impact of COVID has hit us, and on the Dunedin WEA front. I want to take this opportunity to thank you for supporting our classes in 2021. For those that haven't attended classes but have supported us by becoming members I extend our gratitude. Your enthusiasm is what has kept the committee going! I must also thank South Dunedin Community Network. Without your generous support we would not have been able to keep going this year.

Despite the challenges we have achieved a lot this year. We are now an independent WEA with our own committee, bank account and coordinator, Nicola Pye. The Director at WEA South, Lesley du Mez has been hugely supportive. I want to acknowledge Lesley's input and thank her for working tirelessly to support us. I would also like to thank our wonderful tutors, Ron, Sue and Nancy who have continued to run classes when they could. What an amazing team.

I am sure you will see an increase in classes next year so keep an eye out for those.
